It works fine but i think that there is an error in it because when i use the search tool and i enter the name of the banner and select show blocked in 'block list' the program shows the blocked banners of 1 to 2 months ago so that's how i know that there is some error. Posted: january 5, 2018 Rating: 5 Version: 1.4.2 Did you find this review helpful? Works fine Posted: December 19, 2017 Rating: 4 Version: 1.4.2 Did you find this review helpful? I am using this for months now and it's great. Posted: December 13, 2017 Rating: 5 Version: 1.4.2 Did you find this review helpful? Always have something to complain about. Posted: December 6, 2017 Rating: 2 Version: 1.4.2 Did you find this review helpful? Just need to say that this works fine for me. I have a small problem that I always face when I use this, the internet stops working but it is not the end of the world. It takes less than 5-10 minutes to start working again and I only have to restart the browser. As it is not a big problem I can't complain about it at all. It works fine for me.
