APPLETON. RUSHLANDER, James R. 2013. Imaging of the Oral and Maxillofacial Region.. The second edition was published in 2002, and another reprint was issued in 2007. Ten years later, at the end of the twentieth century, the book was refreshed by a new edition, with a completely updated and revised chapter on neck imaging as well as extensive and thoroughly revised chapters on intraoral and maxillofacial imaging. At the same time, the book was revised and expanded in an attempt to reflect the progress and the changing practice of the imaging sciences. The board of editors sought to emphasize the more recent changes in the physical and technical properties of the various imaging modalities used in the diagnostic evaluation of the oral and maxillofacial region.
